At 365 acres, Four Mile Cove Ecological Preserve is currently the largest preserved green space in Cape Coral. Located just north of Veteran's Parkway, "Eco Park" features a 6600' nature trail & boardwalk, two observation piers, a visitor center and a seasonal kayak rental operation. There is an 800' portage along the kayak trail - it is not for beginners. Children under 6 are not permitted in the kayaks. Visitors of any age can walk through the preserve on the boardwalk. Possible wildlife sightings include eagles, ibis, herons, other wading & migratory birds, raccoons, snakes, etc. Be sure to stop at the visitor's center for information on local wildlife, trail guides and the "last chance to use the facilities".

Please note: no pets, boards, bikes or skates on the boardwalk.
