Contractor is CPC

Applicant is CPC

Pool Contractor is CPC

BLD Contractor is Enclosure/Fence contractor

ELEC Contractor is Electrician (Subcontractor form)

If a Certified General Contractor (CGC) applied for a pool permit:

A CGC can do all of the work (except for the electric).
Pool Enclosure/Fence permit is applied for after pool has been issued to the contractor.
***Prior to issuance a sub-contractor form will be required to attach the CPC.**
Electric Contractor submits subcontractor form to “attach” to main pool permit.

Contact Info:

Contractor is CGC

Applicant is CGC

Pool Contractor is CGC

BLD Contractor is Enclosure/Fence contractor

ELEC Contractor is Electrician (Subcontractor form)

CPC is attached as OTHER

RE: COMMERCIAL POOL RESURFACING

Effective December 1, 2018, a City of Cape Coral Building Permit is no longer required for commercial sites when the scope of work is **only resurfacing a pool or spa**.

The contractor is still required to submit an application to the Lee County Department of Health (DOH). The DOH conducts the inspections for this scope of work. Refinishing activities are related to the required maintenance for pool facility operating permits issued by Lee County.

Please be advised, if the job site is in a **Bald Eagle Protection Zone**, an approved **Bald Eagle Management Plan** must be submitted and approved by The City of Cape Coral **prior** to commencing any work. To find out if the site is in a **Bald Eagle Protection Zone**, please visit the following website:

*<https://capegis.maps.arcgis.com/apps/webappviewer/index.html?id=bbce9a471a534e7482d35716c4cb6f36>

*Enter the site address

*click on the parcel, scroll down the pop-up menu for "Eagle Zone" or Scroll to "Property Restrictions" and then click "run report"

If you need more assistance, please contact our Planning Division at <https://www.capecoral.net>. From the home screen choose Departments, then Community Development, then Planning Division

Thank you
Cape Coral Building Division
