Proposed Seawall Installation Affidavit

This affidavit may ONLY be used if there is at least one vacant lot on either side of the construction site.

Property address: _____

Block: _____ Lot: _____ Unit: _____ Strap: _____

I, the owner of the above listed property, am aware the Corps of Engineers has not approved my seawall installation under GP SAJ-46. I understand my seawall contractor, _____, must apply for a separate permit in order to receive the approve to proceed with my installation.

I knowingly state there is a vacant lot on the _____ side of my construction site for access of the contractor's equipment. (right or left)

I agree to have the seawall contractor proceed with the installation of my seawall immediately upon their receipt of all permits required by the Government.

I hereby request the processing and issuance of building permits while waiting for required seawall permit. Under no circumstances will this building be occupied until the seawall is completed installed and passes inspection.

I hereby acknowledge that I have read and understand the above affidavit on the ____ day of _____, 20__.
