

ASBESTOS NOTICE

Department of Community Development

The City of Cape Coral shall require each building permit for the demolition or renovation of an existing structure to contain an asbestos notification statement which indicates the owner's or operator's responsibility to comply with the provisions of S.469 and notify the Department of Environmental Protection, of the owner or operator's intentions to remove asbestos, when applicable, in accordance with state and federal law. No person may conduct an asbestos survey, develop unless licensed and trained as an asbestos consultant as required in Chapter 469, Florida Statutes.

In accordance with the state and federal law, it is the owner's responsibility to notify the Department of Environmental Protection, of their intent to remove asbestos.
