Prior to the start of construction, additional permits may be required through the U.S. Army Corps of Engineers (239-334-1975). Failure to obtain this authorization prior to construction may subject you to enforcement action by that agency. The City of Cape Coral hereby notifies permit holders that the improper operation of watercraft may pose risks or harm to the Florida manatee, a species listed as endangered under the Federal Endangered Species Act. For information on how to avoid causing harm to manatees and to obtain general information, please contact the Florida Wildlife and Conservation Commission at (888) 332-3692 or www.floridaconservation.org or the U.S. Fish & Wildlife Service at (904) 232-2580 or www.fws.gov. This permit does not authorize violation of any law or regulation. The permittee shall at all times comply with all applicable laws and regulations, including securing any and all necessary federal or state permits and complying with the Endangered Species Act and the Marine Mammal Protection Act. The City of Cape Coral accepts no liability for boating activities that may be in any way connected with the watercraft access facility authorized by this permit.
