Meter & Irrigation Removal/Reinstall Request

Permit # _____ Request Date _____

Utility Account # _____

Block _____ Lots _____

Service Address _____

Contractor _____

Owner Name _____

Removal Services

- Irrigation box removal (no charge)
- Meter removal (no charge)

I, _____, owner/agent, request the above services to be removed on _____ (date) at the above address. I understand there is a meter reinstall fee and an irrigation reinstall fee.

Reinstall Services

- Irrigation reinstall (\$80.00 fee)
- Meter reinstall (\$25.00 fee)

I, _____, owner/agent, request the above services to be reinstalled on _____ (date) at the above address. I understand there is a meter reinstall fee and an irrigation reinstall fee, as noted above.

I hereby certify that the water, sewer, irrigation, cable, phone, electric and gas lines will be properly disconnected at the right-of-way line. The sewer line disconnection and capping will need to be left open for inspection. The capping of the sewer line will need to occur prior to any demolition to ensure sand and debris does not enter into the sewer system.
