

# PLANT SALE

## BUTTERFLY, NATIVE and EDIBLE PLANTS

### Rotary Park

Saturday, April 20 from 9:00am-1:00pm

Celebrate Earth Day with native trees, shrubs, wildflowers & groundcovers. Plus, there will be some non-native (but nice) BUTTERFLY PLANTS & EDIBLE PLANTS. Experts will be on hand to help you choose the right plant for the right place! It doesn't cost anything to come & look around... Come early for the best selection!

Native plants are great because, once they are established, they require less chemical interference and need less water to thrive. Plus, they benefit wildlife (like birds & butterflies). The plants at this sale come from local growers, so you are supporting local businesses.

## Rain Barrel Workshop

Held the morning of the plant sale

9:00am-11:00am

\$45 per barrel

Advance Registration Required
