

My Corona Virus Story

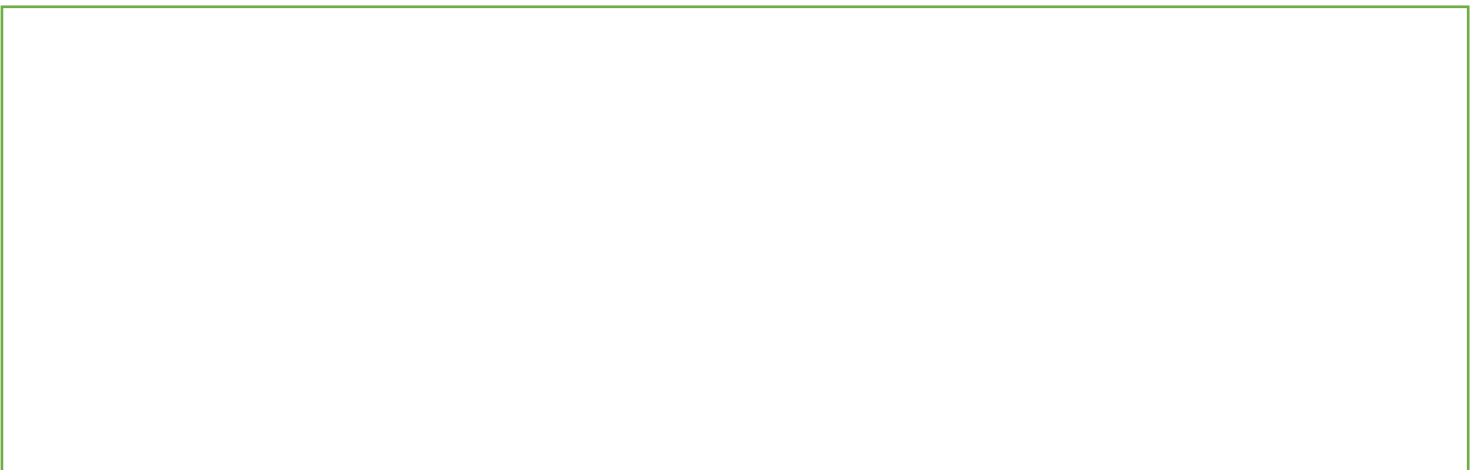

Look outside your window and draw what you see.

Once upon a time I used to like to go to the _____
and _____.

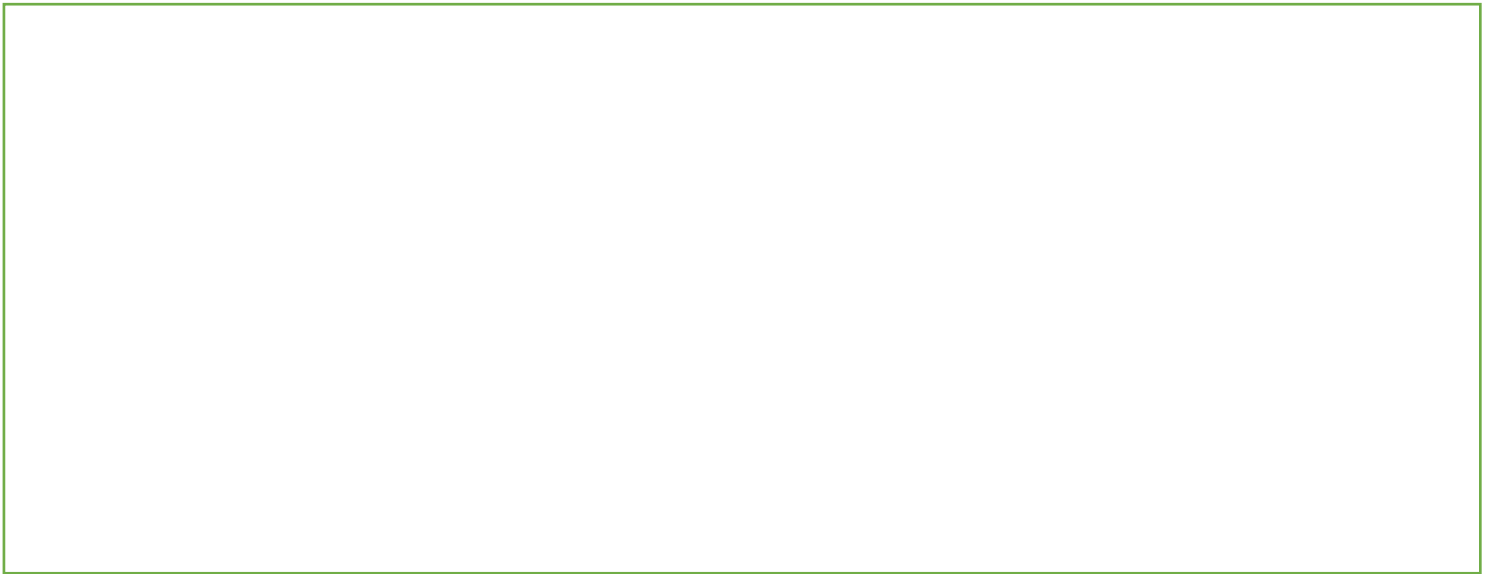

Draw a picture of your **favorite places to go**.

On very special days I would go to _____
and _____.

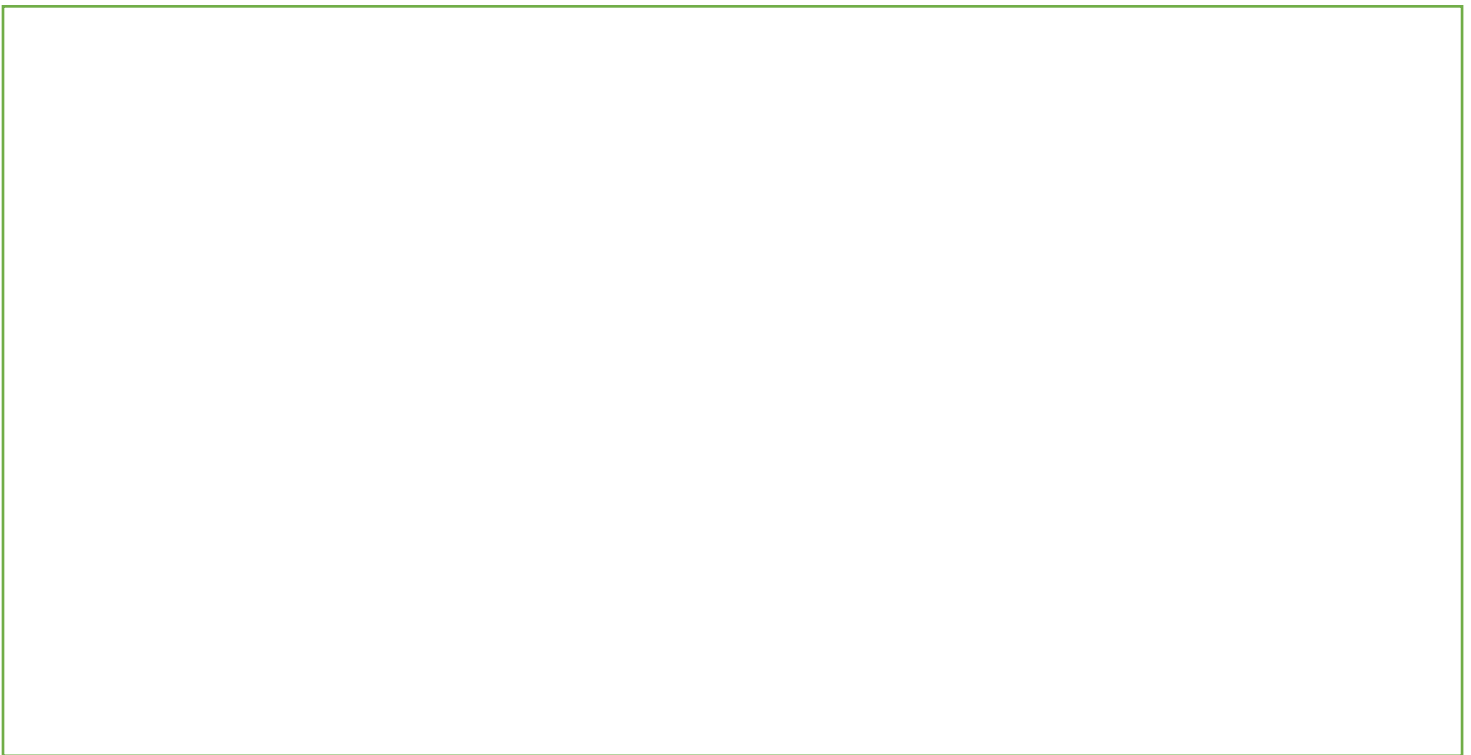

Draw a picture of **special places to go**.

I used to play with _____ and _____.

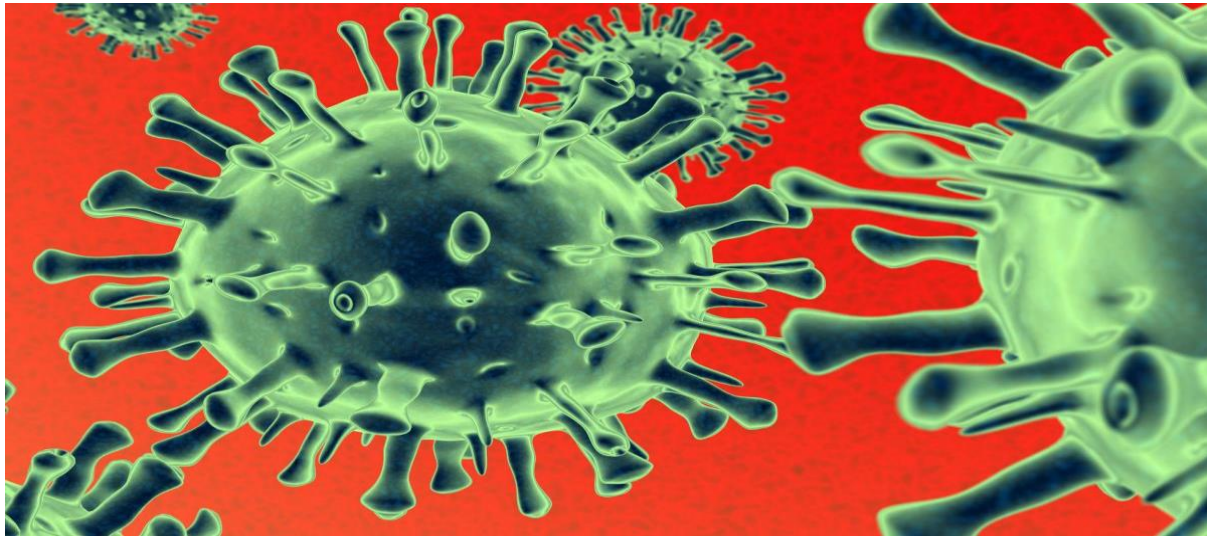

Draw a picture of **someone** you used to play with.

I used to visit with _____ and _____.

Draw a picture of **someone** you used to visit.

Then this thing called the Corona Virus came to my town. It is very, very small and we can't even see it. If I drew a very big picture of it, it would look something like this.

If someone catches this virus, they might get very sick.

Now I do things to stay safer.

SOCIAL DISTANCING

I need to stay two arms lengths away from anyone who doesn't live with me.

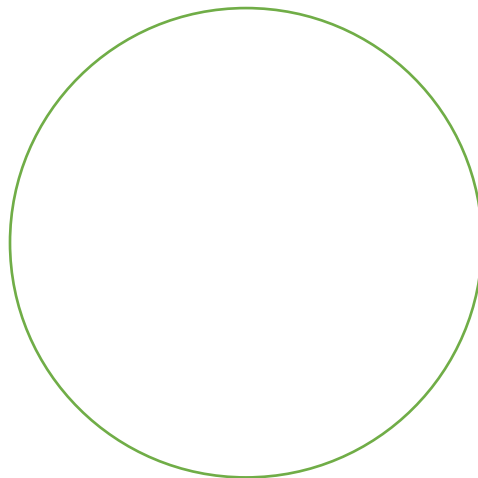

WASH MY HANDS

I wash my hands with soap and water while singing the ABC Song all the way to the end. Washing with soap and water, protects from the virus.

DON'T TOUCH!

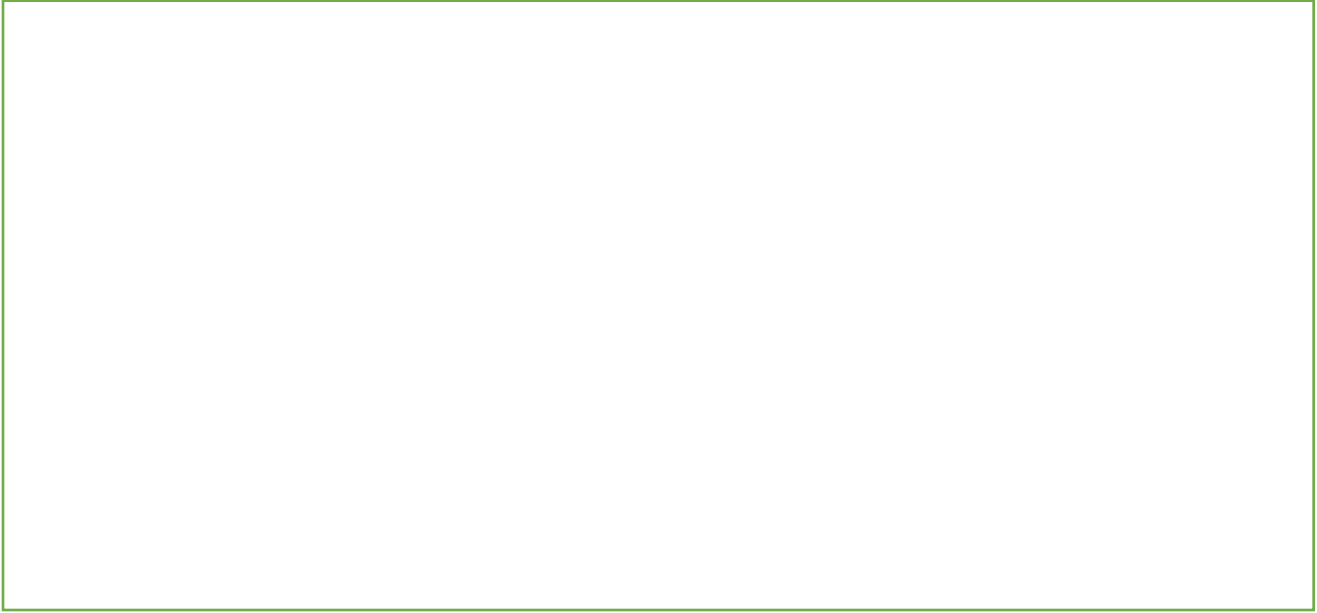

I keep my hands away from my nose, eyes and mouth.

Draw eyes, nose, and mouth.

STAY HOME

I stay home and follow directions from my _____.

Draw a picture of my room.

COVER THE COUGH AND SNEEZE

I cough and sneeze into my arm.

SPECIAL PEOPLE KEEP ME SAFE

My _____ and _____ keep me safe.

ONE DAY SOON

One day soon things will get better. The virus will be controlled. It will be good to go out again. Then, I will go back to the _____ and

_____.

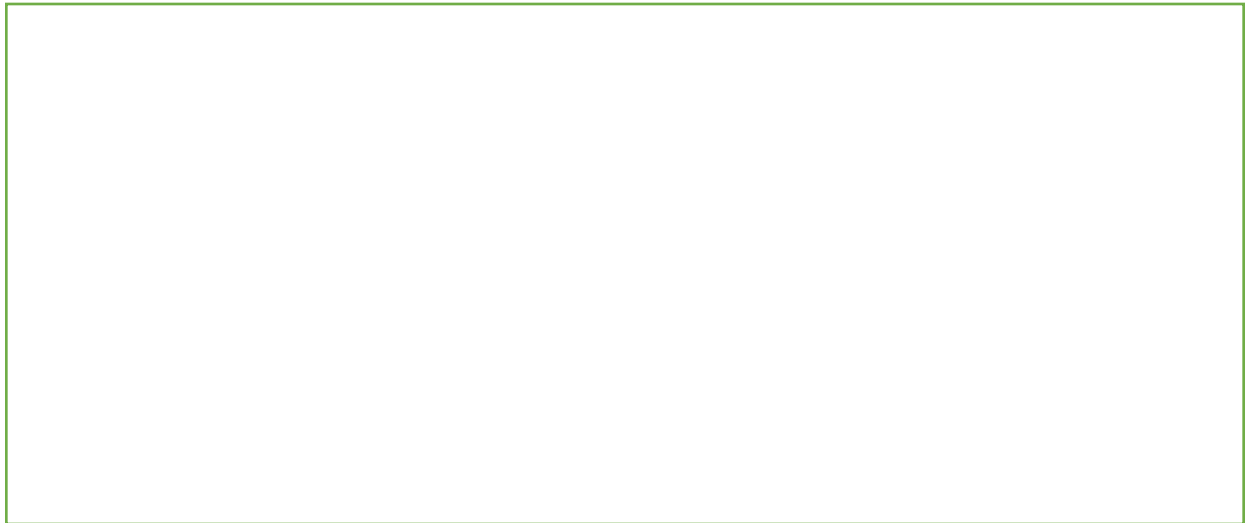

On special days I will go to _____ and _____.

I will play with _____ and _____.

Until then, my _____, _____ and the

_____ and _____

keep me safe.

Draw a picture of that happy day.
